I go into the throne room
I'm in the presence of the King
I'm in the timeless place
In the presence of the Creator
I'm in the Holy place
In the presence of my Savior
I feel nothing but privilege
I feel nothing but awe
Yet I am in my home
In the presence of my Father
In the presence of my brother
I feel nothing but acceptance
I feel nothing but love
So I begin to thank him
For everything
So I begin to tell him
Everything
So I begin to ask him
For help
With everything
For he is my God
Who supplies my needs
Up to and including
Everything
