My greatest desire in life;
And I am a complete failure
I desire to be like Christ
To live by faith
To walk in His steps
Lead others to Him
By example
By love

Here I am
So unlike my Lord
Acting on doubt
Going my own way
Often failing those around me
Showing more devil than God
More selfishness than love
Lord,
I truly want to be like you.
I fail so miserably
So frequently

My only hope lies in You
Your perfection
Entices me
As much as it overwhelms
My ability to emulate You.
Foiled by my flesh
My spirit yearns
For so much more
My hope in Your forgiveness
In Your sacrifice, Your blood
Already given
My guarantee
I'll not give up
My perseverance found in Your love
I am a complete failure
But You have claimed me,
Redeemed me,
As Your own.
