Lord, I feel betrayed

**Date:** Aug 19, 2018 11:16 PM

Lord, I feel betrayed.

Like my church

My family

Has let me down

Personally

How must You feel

When we all let you down

Continually

How often we fall down

Let Satan use us

To hurt your children

Lord, I Don't want

To be his mouthpiece

To be his instrument

God, I want to be yours.

I want to show love

I want to forgive

I want to be a peacemaker

Oh, Lord, forgive us.

Forgive me when I gossip

Stop me, Lord.

Forgive me when I complain

Stop me, Lord.

Forgive me when I hold grudges.

Stop me, Lord.

Push me

To share the Gospel.

Push me

To help others.

Push me

To study; to pray.

Push me

To be Your hands; Your feet

To be Your light

In this dark, dark world.
