Subject: Hard day after hard day (Susan)

Date: Jul 16, 2017 10:27 AM

Hard day after hard day  
Balanced with the living  
Balanced with those who don't know  
Those who don't care

The rest of the world  
Rolls along  
Our world stutters, starts, stops

Living in a world  
Where we used to fit  
Before we were scarred  
By this loss  
Hard day after hard day
