Heal me of Pride

Date: Jul 31, 2018 12:59 AM

Lord,

Heal me of pride

For pride infects me

Heal me of suspicion

Of worry

Of indulgence

They were taught me

Ingrained in me

As a child

Heal me of bitterness

I see it everywhere

Heal me of the depression

That threatens me

Increase my introspection

That I may see my sin

That I may repent

Make me aware

Of Satan using me

To attack my fellow Christians

Using my attitudes, my actions

To detract from

The sacrifice of Your Son.

Help me reflect

Who You are

To those who need

Your Grace

Your Love

Your Presence.
