Subject: I cry out

Date: Jul 7, 2017 11:46 PM

I cry out

God responds "I am."

I fall down

God is my support

I'm so very lost

God is my guidance

I'm so weak

God is my strength

I'm so afraid

God is already there

God is my future

So frail in my humanity

I cry

I can't stop crying

God stands beside me.

I am, Child.

I am.
