Lord, I praise You
For You have saved me
From so much more than I realize
From more than I can grasp
This side of Heaven
Lord, I love You.
What else can I do
When You made me Your child
By giving Your Son
To redeem me?
Lord, I need You
To show me my sin
To help me acknowledge them
To forgive me my transgressions
To wash me clean.
Lord, I need You
To show me Your way
Your plan for the rest of my life
To provide me
the strength to endure
Today
To act justly
To love kindness
To walk humbly with You, Lord
The power to resist
The wisdom to choose
Every moment
