Communion takes my soul
Into the presence of the Cross
Sacrifice for our sin
Death and Resurrection

Suddenly
I'm thinking of her
Gone and in Your Embrace
Only by Your Saving Hand.
Difficulty breathing
Dry-eyed tears
Running down my heart

Oh, Lord, I have no words
For the emptiness
Where my daughter was;
No way to express
The hurricane
Of conflicting feeling
Targeting my existing.

No tears fall
The gasping stops
No one noticed.
No one but You, Lord.

I lean into
Your powerful love
I find surcease
In Your steadfast grace.
I mourn
Where only You can hear.
I fall
Into the Infinity
That is You.
