Lord,
Let Your Spirit speak for me
For my heart has needs
I cannot express
I am hurting
I am empty
I am longing for Your comfort
I am longing for Your peace
I need Your power
To untangle my soul
Hear the prayers I cannot speak
Holy Spirit,
Speak for my soul.
Lord,
Hear my need.
Answer Your Spirit
As only You can.

Thank You, Father.
I know You hear.
Thank You, Father
I know You understand
Thank You, Father
I know You answer
Always in Your perfect time
Always in Your perfect way
Always with Your perfect peace
You answer the prayers I cannot speak
Thank You, God.
I know You answer.
