Subject: What did I lose?

What did I lose?

I lost my daughter.

How do I feel?

I lost holidays cooking together

Shared birthday parties

Arguments

Frustrations

Times to be proud of her

Times to be mad at her

I'll miss the Mother's Day cards

The phone calls

The times she'd come over

Her smile, her voice,

Her silly clothes

Her apples and her Tigers

Crosses and angels

Her love of Christmas

Singing beside me in church

Her laughter

The sound of her voice

Her hair,

Some days pretty

Some days frizzy

Her eyes when she smiled

Her sweet voice

Saying, "Hey there, Mama."

Yes, I'll miss her voice

What did I lose?

My daughter, my baby girl.

How do I feel?

Lost

Confused

The hole left behind

By all of her

That I miss

I really miss

Hearing her voice.
